Hi Sir/Madam,

My name is Matthew Guida. On February 17 2019, I submitted an ATI request for the following information to Global Affairs Canada:

"Emails between staff of Global Affairs headquarters in Ottawa and the Canadian embassy in Washington about Conservative Senators Claude Carignan, Pierre-Hugues Boisvenu and Denise Batters trip to Washington to meet with American politicians about marijuana/cannabis. April 1, 2018 to April 7, 2018".

The request number is A-2018-00152.

Since I submitted my ATI request, I have not heard back from Global Affairs Canada.

What is the current status regarding my ATI request?

Please notify me at your earliest convenience.

I await your reply.

Thank You and Kind Regards,  
Matthew Guida

Hi Nathalie,

I am following up on an email I received from you earlier this afternoon regarding an update on the status of my ATI submission request (Request #:A-2018-00152).

You mention that I will be receiving a CD. However, when I submitted my request, I chose the option for an electronic copy.

Is it possible for you to send me an online version of the information I requested via email instead of a CD?

Please let me know at your earliest convenience.

Kind Regards,

Dear Mr. Guida,

Given the small size of the file and delayed response, we can send it to you by email. Please find it attached.

Note that the DVD has already left, so you will still receive it.

Best regards,

Pascal Lanthier
